INVITATION

The Australian Nursing and Midwifery Conference Committee invites you to participate in the 7th Australian Nursing and Midwifery Conference, hosted by Hunter New England Local Health District, Central Coast Local Health District, Mid North Coast Local Health District and The University of Newcastle. The theme for the 2025 Conference is: **Innovations in Nursing and Midwifery: Shaping Tomorrow's Healthcare**

This conference provides a forum for Nursing and Midwifery clinicians, researchers and educators to share knowledge and celebrate experiences of innovative Nursing and Midwifery led projects relating to clinical care, education and research. Presentations and posters with cultural relevance and foci are welcome and encouraged.

Submission of abstracts is now open with the Conference Committee calling for papers and poster presentations which reflect one of the following conference themes:

- **Innovations in Clinical Practice** e.g. new models of care, innovative practice, telehealth, artificial intelligence, virtual reality, apps, electronic health records, data and analytics.
- **Education and Professional Development** e.g. innovative teaching methods, continuing education, simulation and e-learning, mentorship and leadership.
- **Sustainability and Wellbeing in Delivery of Healthcare** e.g. workforce, wellbeing and safety, sustainable healthcare.
